GUIDING YOUNG MINDS TO GREATNESS

VISION

To be a leading educational institution recognized for academic excellence and the holistic development of students, preparing them to be responsible global citizens.

MISSION

To provide a nurturing and stimulating educational environment where students are encouraged to pursue academic excellence, develop critical thinking skills, and foster a lifelong love for learning.

SREENIDHI: A LEGACY OF EXCELLENCE IN EDUCATION AND BEYOND

At Sreenidhi, we believe that the thirst for learning and excellence is the key to success. Our team of exceptional educators nurtures this drive and helps students unlock their full potential. With a supportive and well-rounded curriculum, we encourage creative thinking and inspire students to achieve their academic and personal goals.

Your child can follow their passions while maintaining strong academic performance, guided by experienced mentors and a flexible learning approach. We understand the importance of balanced development, allowing students to excel academically while engaging in extracurricular activities that enrich their learning experience.

At Sreenidhi, we are dedicated to fostering well-rounded individuals equipped with the skills and confidence to succeed in any path they choose.

SALIENT FEATURES

- Strong CBSE curriculum with emphasis on academic and overall growth.
- Balanced support for academics, co-curricular and extracurricular activities.
- Expert educators and coaches for holistic student development.
- Modern facilities for both learning and activities.
- Regular progress assessments and personalized feedback.
- Safe, nurturing campus with comfortable accommodations.

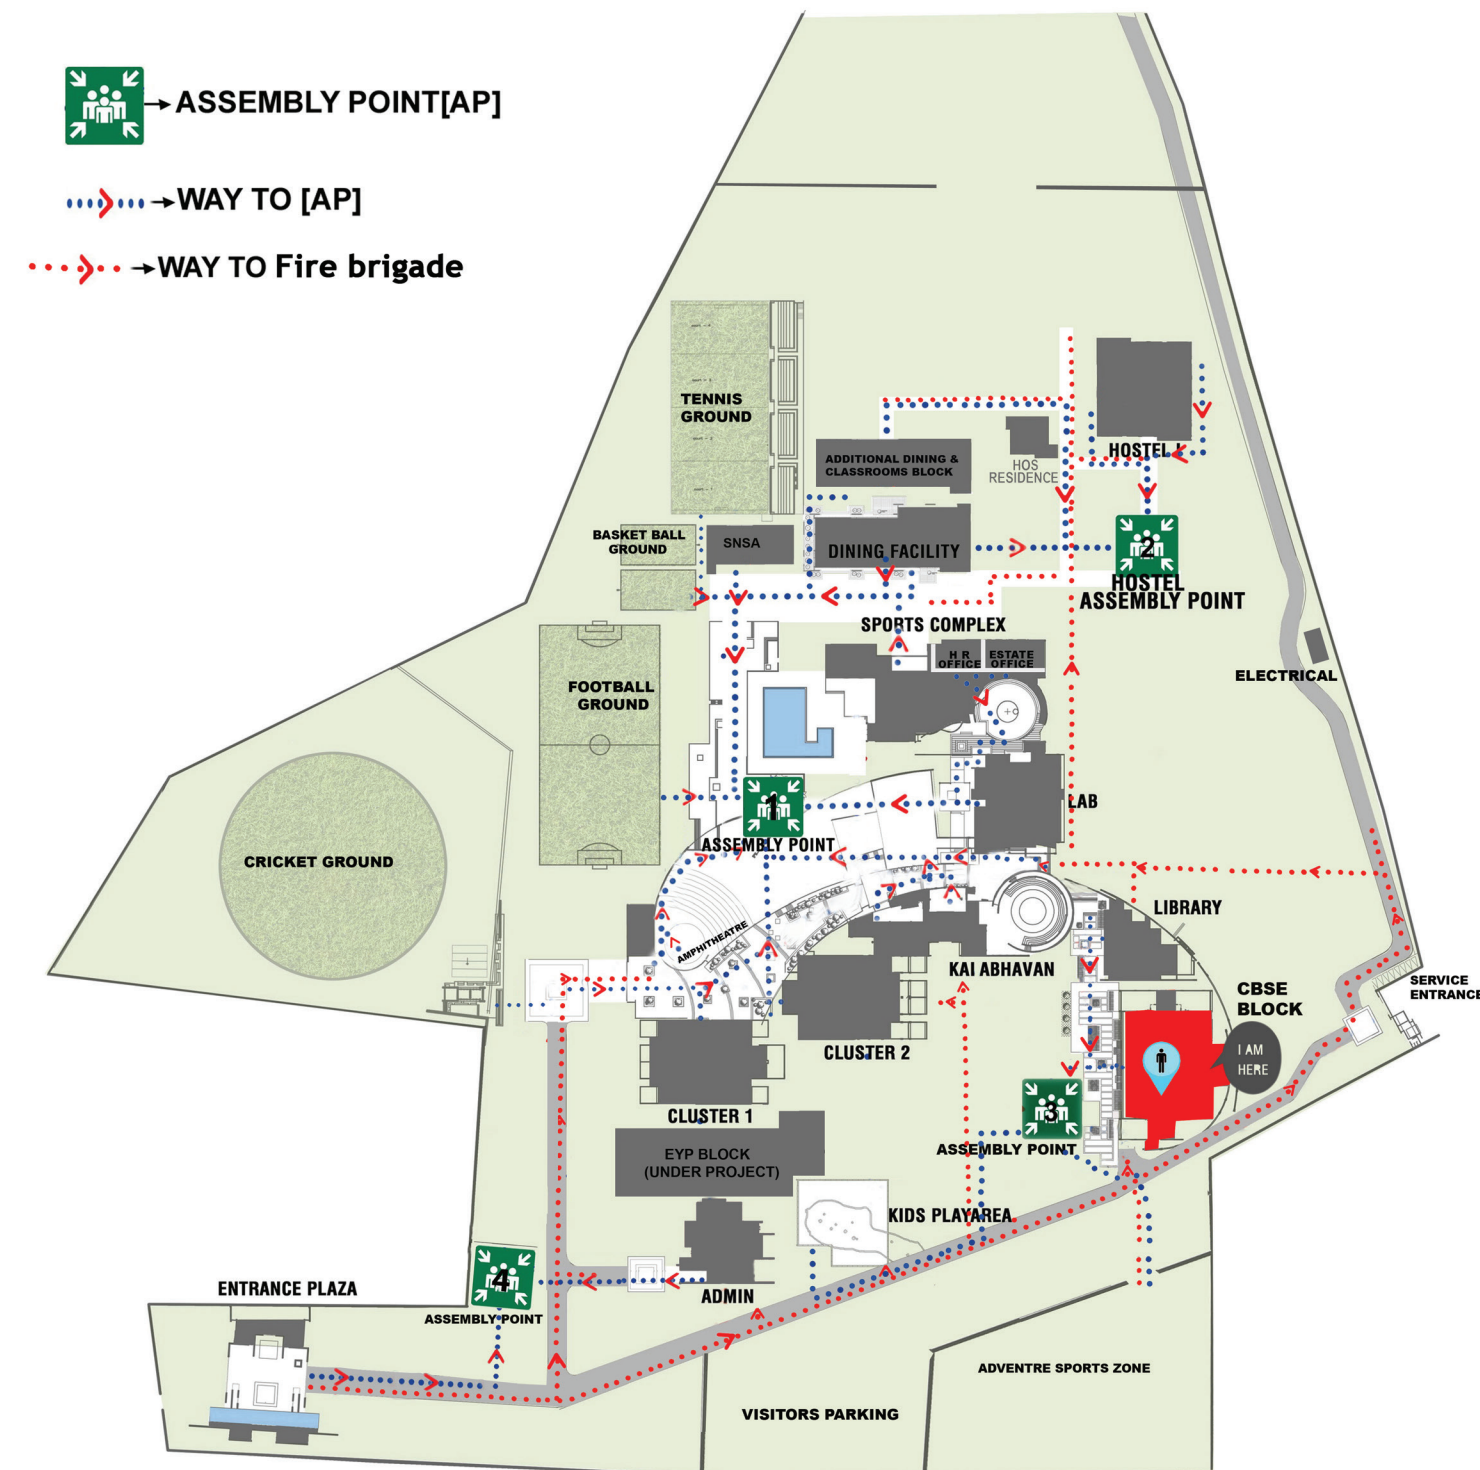

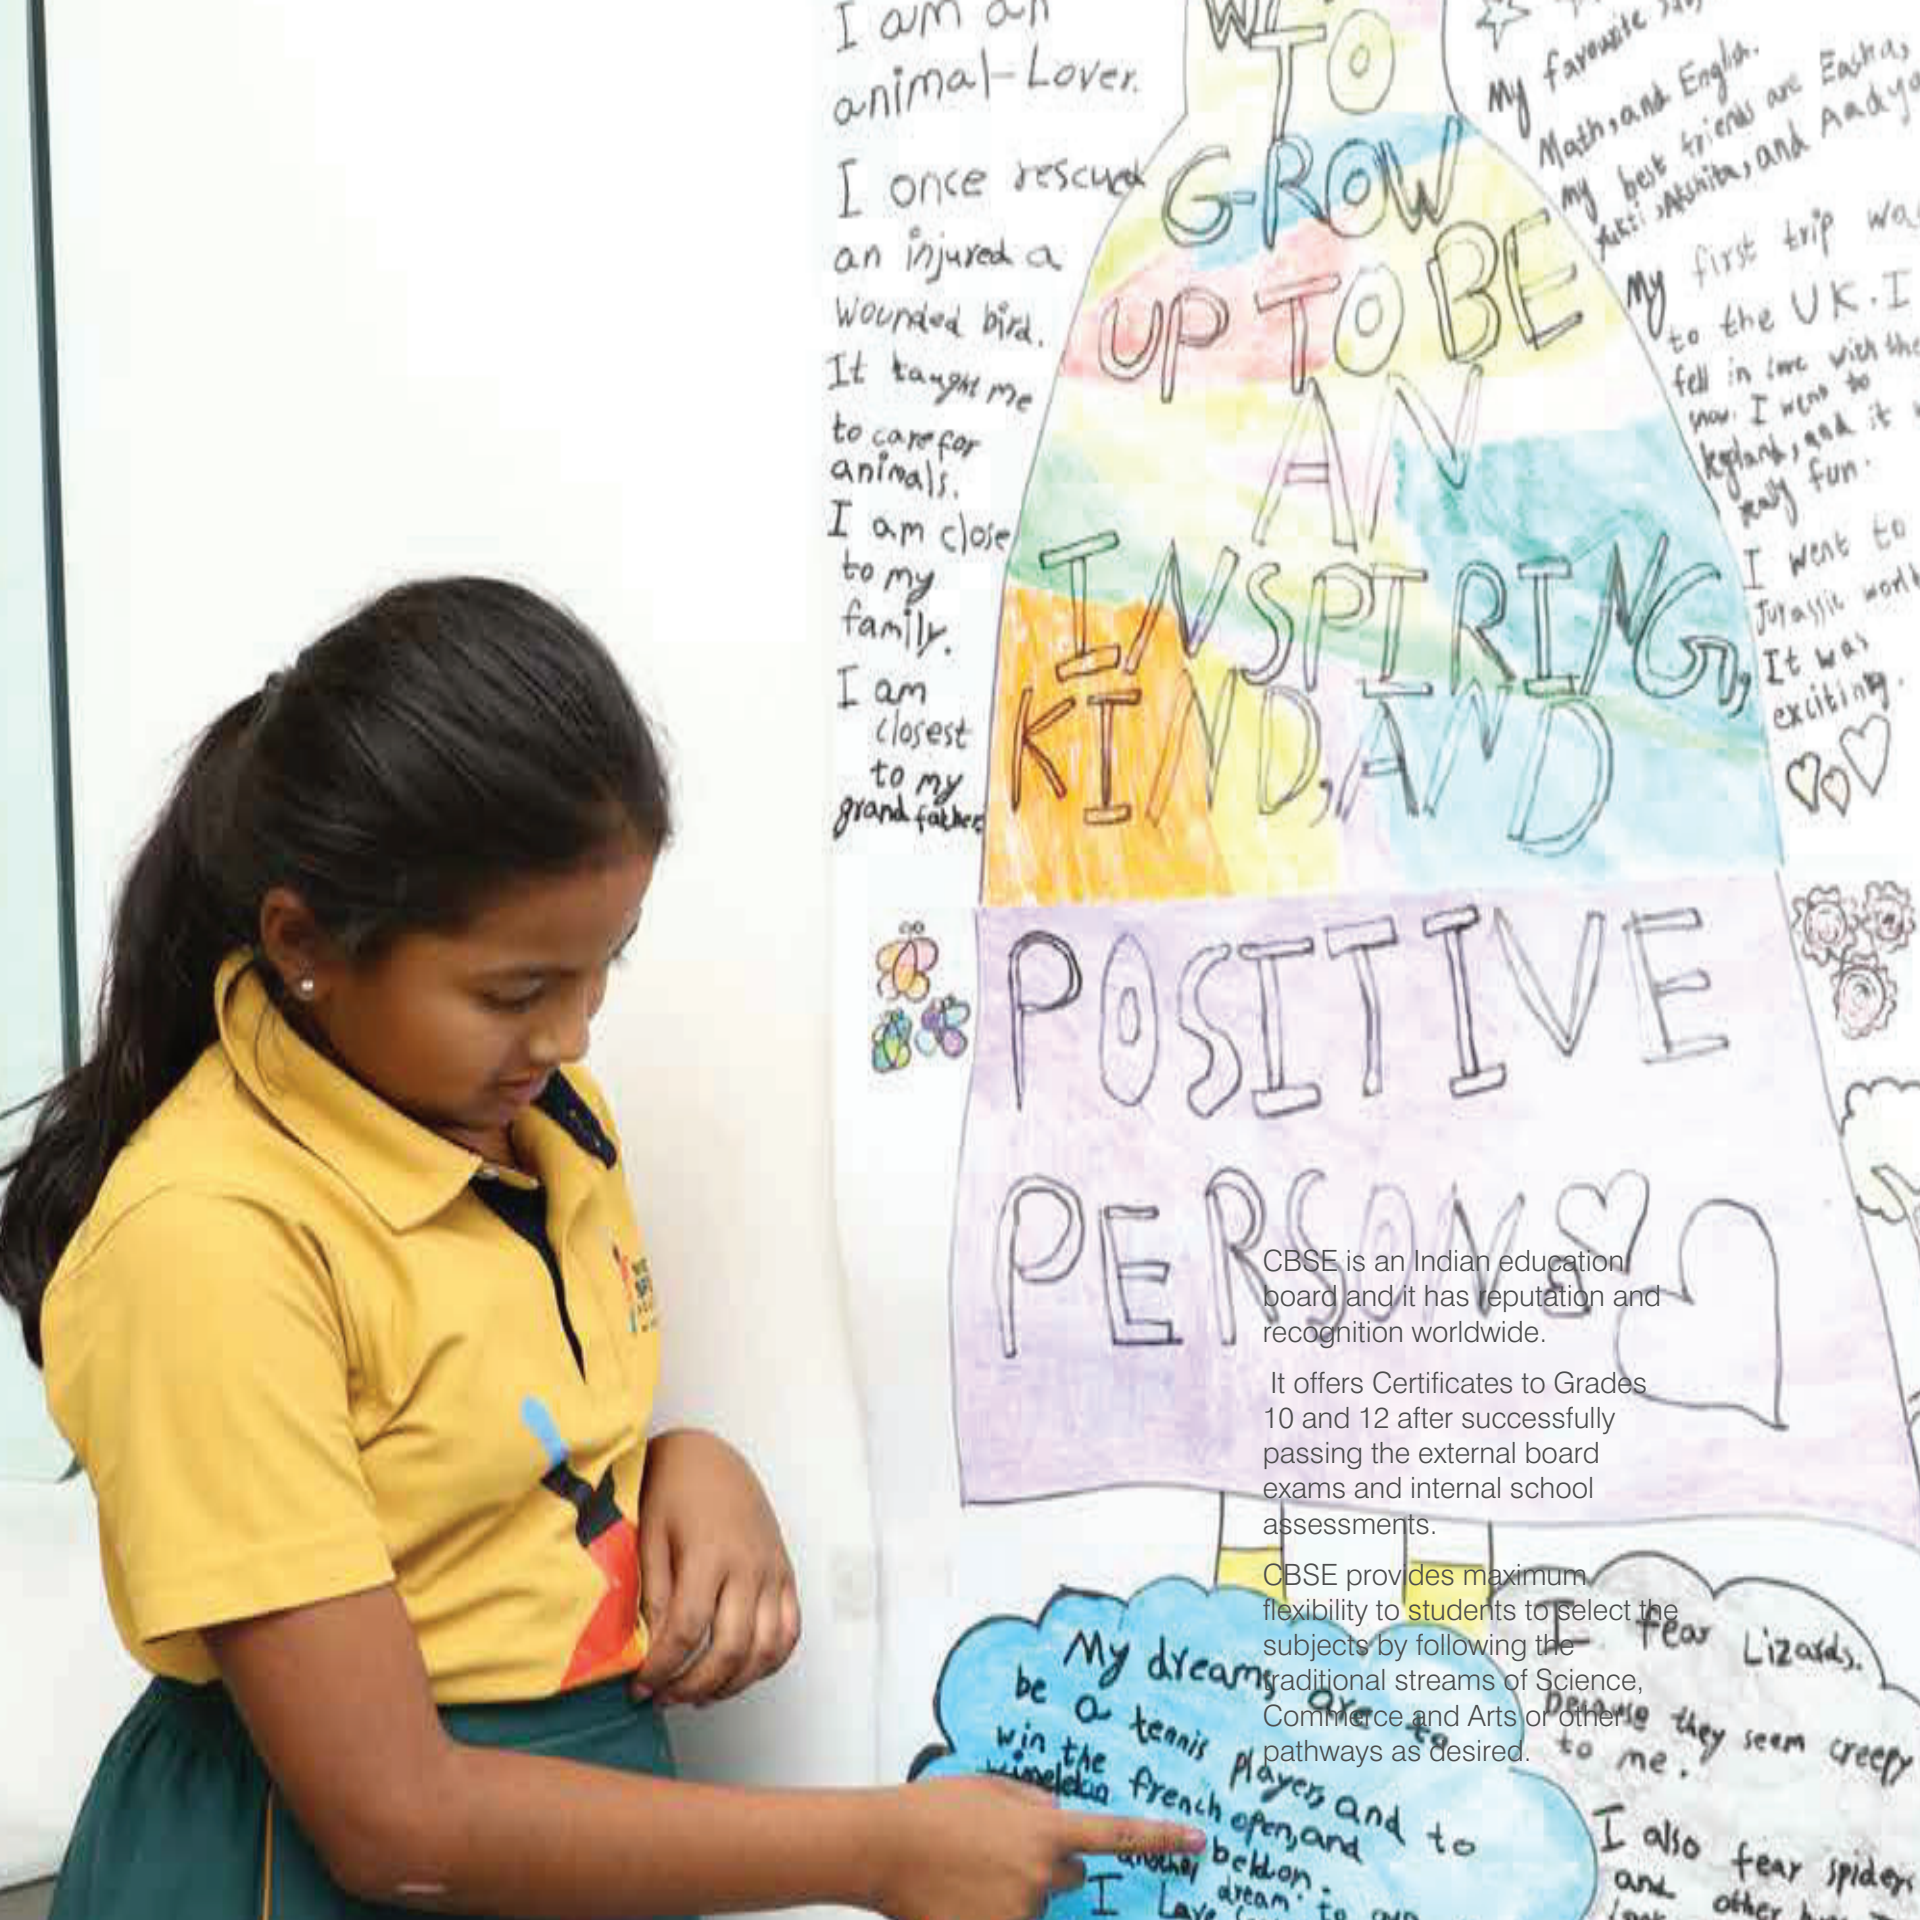

Our 60-acre campus, equipped with state-of-the-art infrastructure, provides a world-class platform for students to learn, grow, and excel. Designed to foster holistic development, our campus offers cutting-edge facilities that support both academic and personal growth. It's a place where students are encouraged to explore their potential, engage in dynamic learning experiences, and thrive in a nurturing environment.

EMERGENCY ESCAPE PLAN

SREENIDHI SCHOOL HYDERABAD

ACADEMIC CURRICULUM

Our academic curriculum is designed to offer a comprehensive and balanced education that supports the intellectual and personal growth of every student. Following the CBSE curriculum framework, our program ensures that students develop a strong foundation in core subjects while also fostering critical thinking, creativity, and resilience. This approach allows our students to thrive in both academics and extracurricular activities, preparing them for future success.

Our curriculum provides the flexibility needed to cater to the diverse interests and aspirations of our students. Many of our graduates earn qualifications that are recognized internationally, opening doors to prestigious universities around the world. For students seeking an alternative path, we also offer the NIOS certification to meet their individual needs and goals.

CENTRAL BOARD OF SECONDARY EDUCATION (CBSE)

CBSE is an Indian education board and it has reputation and recognition worldwide.

It offers Certificates to Grades 10 and 12 after successfully passing the external board exams and internal school assessments.

CBSE provides maximum flexibility to students to select the subjects by following the traditional streams of science, commerce and arts or other pathways as desired.

SUBJECTS OFFERED

GRADE III TO VIII

The students from Grade III to Grade VIII learn the subjects like English, Mathematics, Environmental Studies (Up to V), Social Science (Grade VI to VIII), Science (VI to VIII), Hindi, Computer Science and Telugu (as per the Telangana govt.)

GRADE IX AND X

From class 9 onwards, the students will get a wider choices of subjects. English is a compulsory language while Hindi, French or Spanish is optional.

Students need to study Mathematics, Science and Social Science and Information Technology.
